

Muswell Hill

'Stop and Shop' Scheme

Closing Date 20 July 2006

Dear Resident or Trader,

Muswell Hill – 'Stop and Shop' Scheme

Muswell Hill's shopping areas have historically suffered from the shortage of short-term parking provision for shoppers and visitors to the area. To encourage visitors to use Muswell Hill's vibrant shopping facilities, residents, shoppers and businesses have suggested to the Council that there is a need for more parking facilities. The Council has acknowledged this and proposes to improve parking facilities both for shoppers and businesses by introducing 'Stop and Shop' parking bays in the area. The roads included are shown on the attached plan.

This consultation document will explain what a 'Stop and Shop' is and how it will work, the advantages and disadvantages of the 'Stop and Shop' scheme and information on tariffs.

The 'Stop and Shop' proposed scheme aim is to provide short term parking spaces for shoppers visiting, whilst removing the present long term uncontrolled and obstructive parking.

This leaflet is to advise you that in order to implement the scheme we are required to carry out Statutory Consultation, which will include the publication of a Public Notice in the local press, setting out the details of the Council's intention to implement parking controls in a specified area.

The Notice has a 21-day Statutory Consultation period that will commence on the **22 June 2006**. This allows all interested parties an opportunity to support or object to the proposals. We will however extend this period to 4 weeks. Therefore consultation will end on 20 July 2006.

The Public Notice will be published in The London Gazette, The Journal and the Ham and High. We will also be posting the Notice at various visible locations within the area.

Thank you in advance for taking the time to read this leaflet. If you would like to comment on the proposed 'Stop and Shop' scheme, please write to Haringey Council, Traffic and Road Safety Group, River Park House, 1st Floor South, 225 High Road, Wood Green N22 8HQ, telephone on 020 8489 5143/1326 or e-mail us at Streetscene.consultation@haringey.gov.uk

Yours faithfully,

Councillor Brian Haley
Executive Member for Environment

What is ‘Stop and Shop’ Parking?

Stop and Shop Schemes operate in areas where long-term parking, i.e. all day parking, has a detrimental effect on local businesses.

The provision of controlled short-term parking bays encourages a higher turnover of available parking spaces, which benefit local businesses.

How does ‘Stop and Shop’ work?

Parking bays are marked along the road and signs are put up to inform motorists of the use of the bay and the location of the nearest ticket machine.

Tickets are purchased for the duration of the stay, up to a maximum of 2 hours. The ticket is then displayed in the windscreen of the vehicle for the duration of the stay.

Signs will indicate the hours of operation of waiting restrictions and parking bays (with the exception of double yellow lines which prohibit parking at any time). Outside of the operating hours, restrictions will not apply and it will be free to park.

What are the advantages of ‘Stop and Shop’ Schemes?

- The greater availability and turnover of parking space encourages more shoppers to visit the area.
- The control of on-street parking improves shopping environments.

What are the disadvantages of ‘Stop and Shop’ Schemes

- You have to pay for tickets. All proceeds from the sale of tickets are reinvested in the public highway.

Tariffs

The charges for parking in the bays are as follows:

15min	£0.30
30min	£0.60
45min	£0.90
1 hr	£1.20
1 hr – 15min	£1.50
1 hr – 30min	£1.80
1 hr – 45min	£2.10
2hrs	£2.40

The above charges are consistent with other town centres within the borough.

Disabled Badge holders

Any vehicle displaying a valid Disabled Badge will be able to park free of charge.

Motorcycles

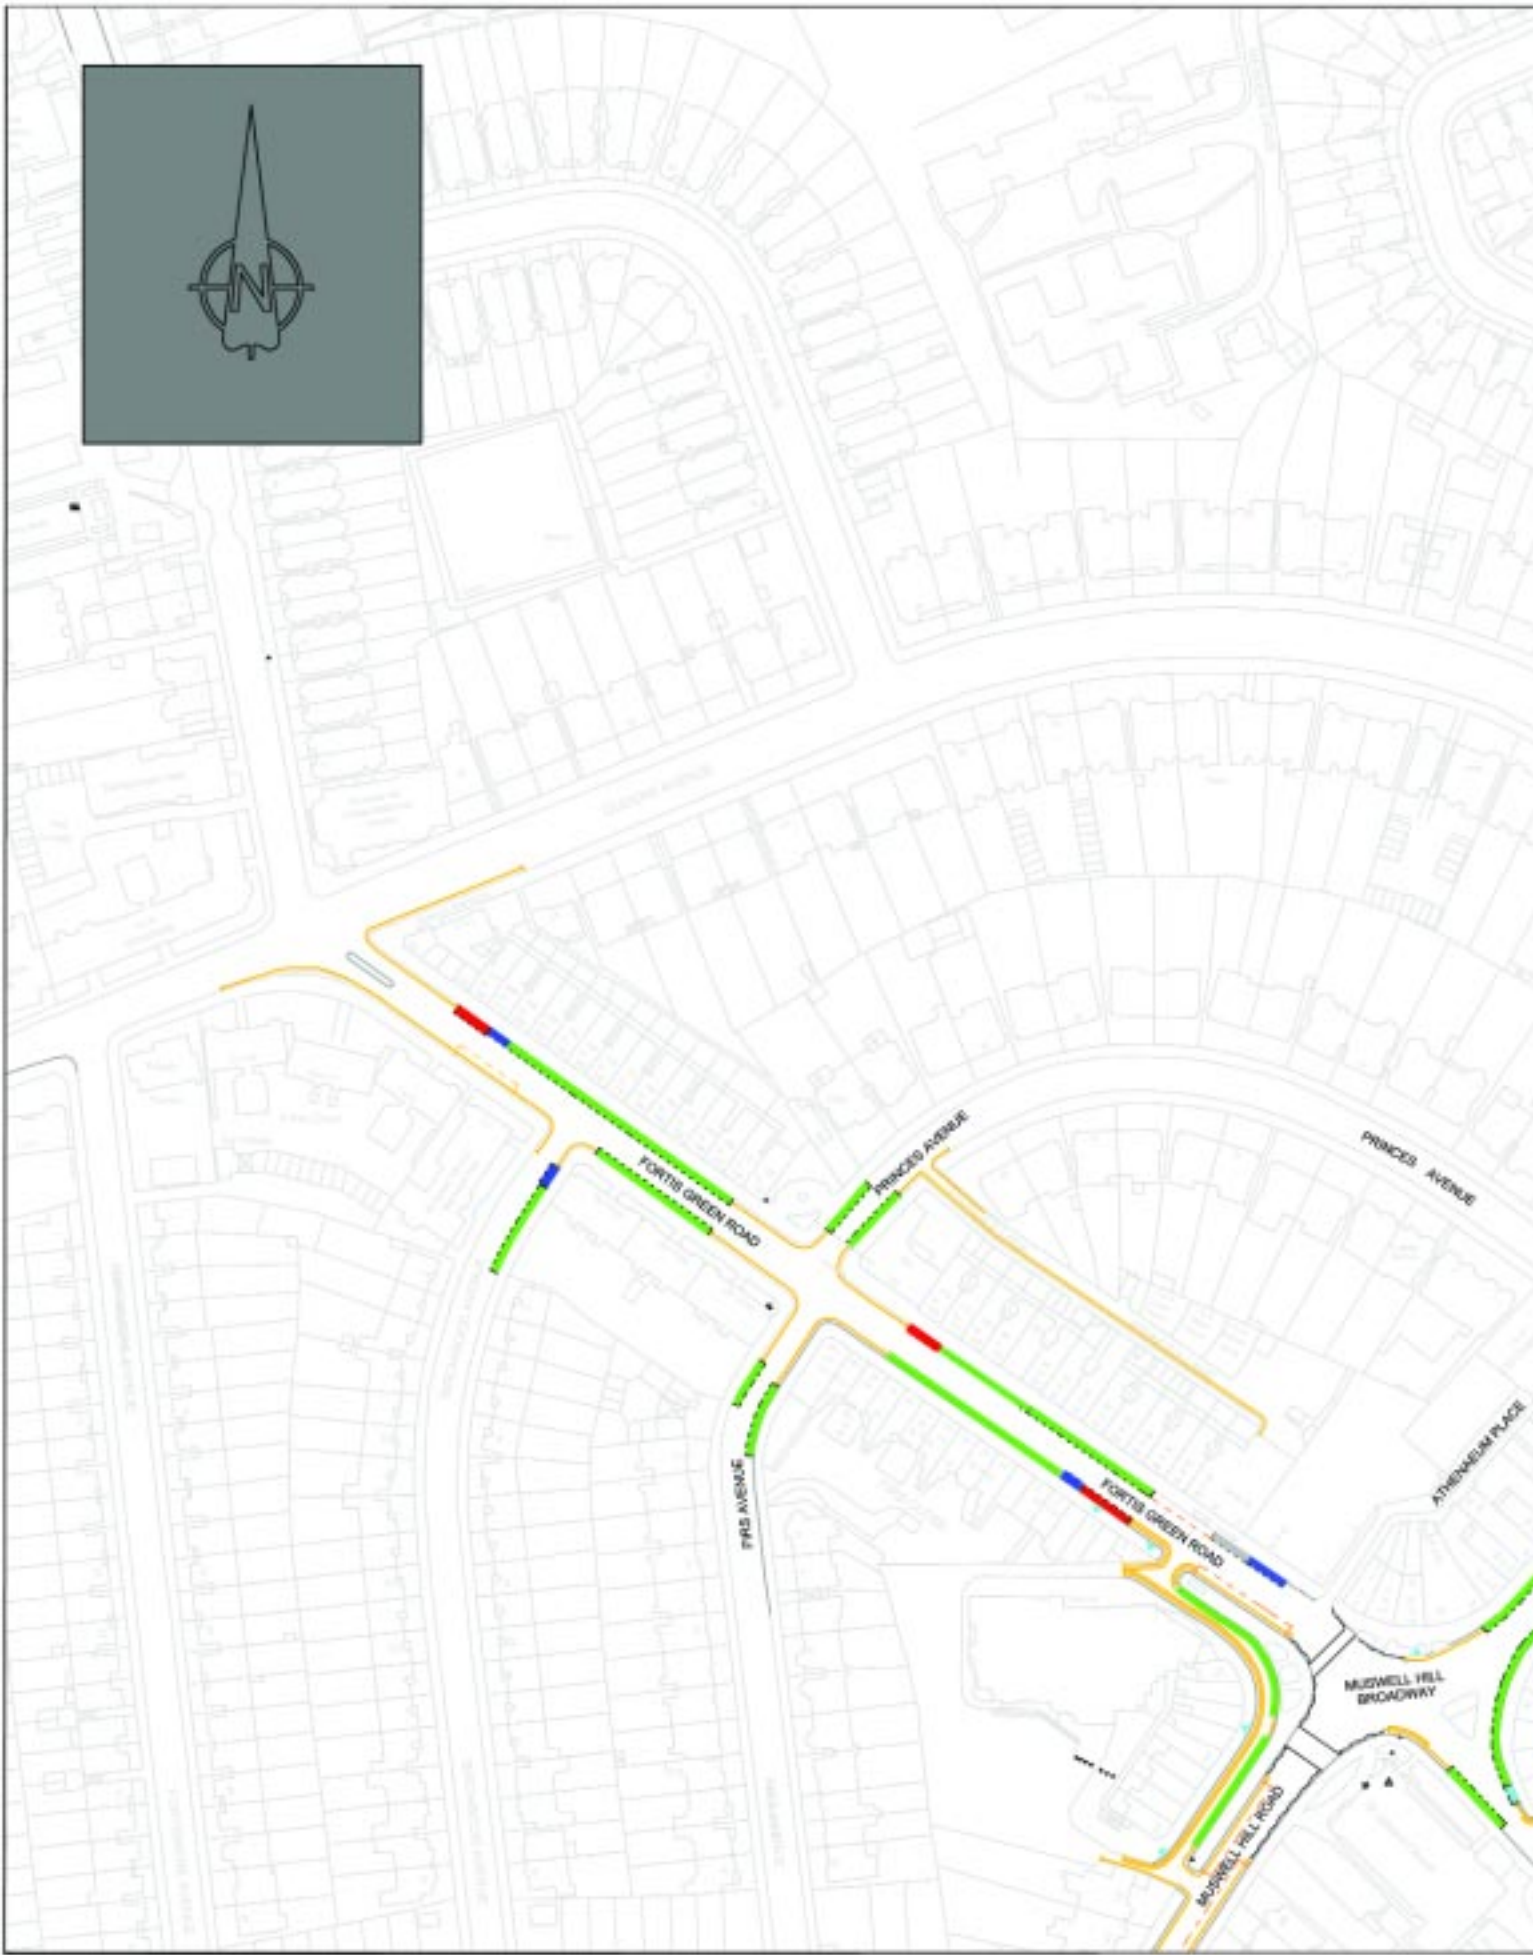

These can be parked in any of the parking bays free of charge.

Loading and unloading

A vehicle may load and unload for a maximum period of 20 minutes when delivering or collecting goods unless loading/unloading restrictions are in place. Loading/unloading must be continuous and must involve heavy/bulky goods.

Suspension of parking places

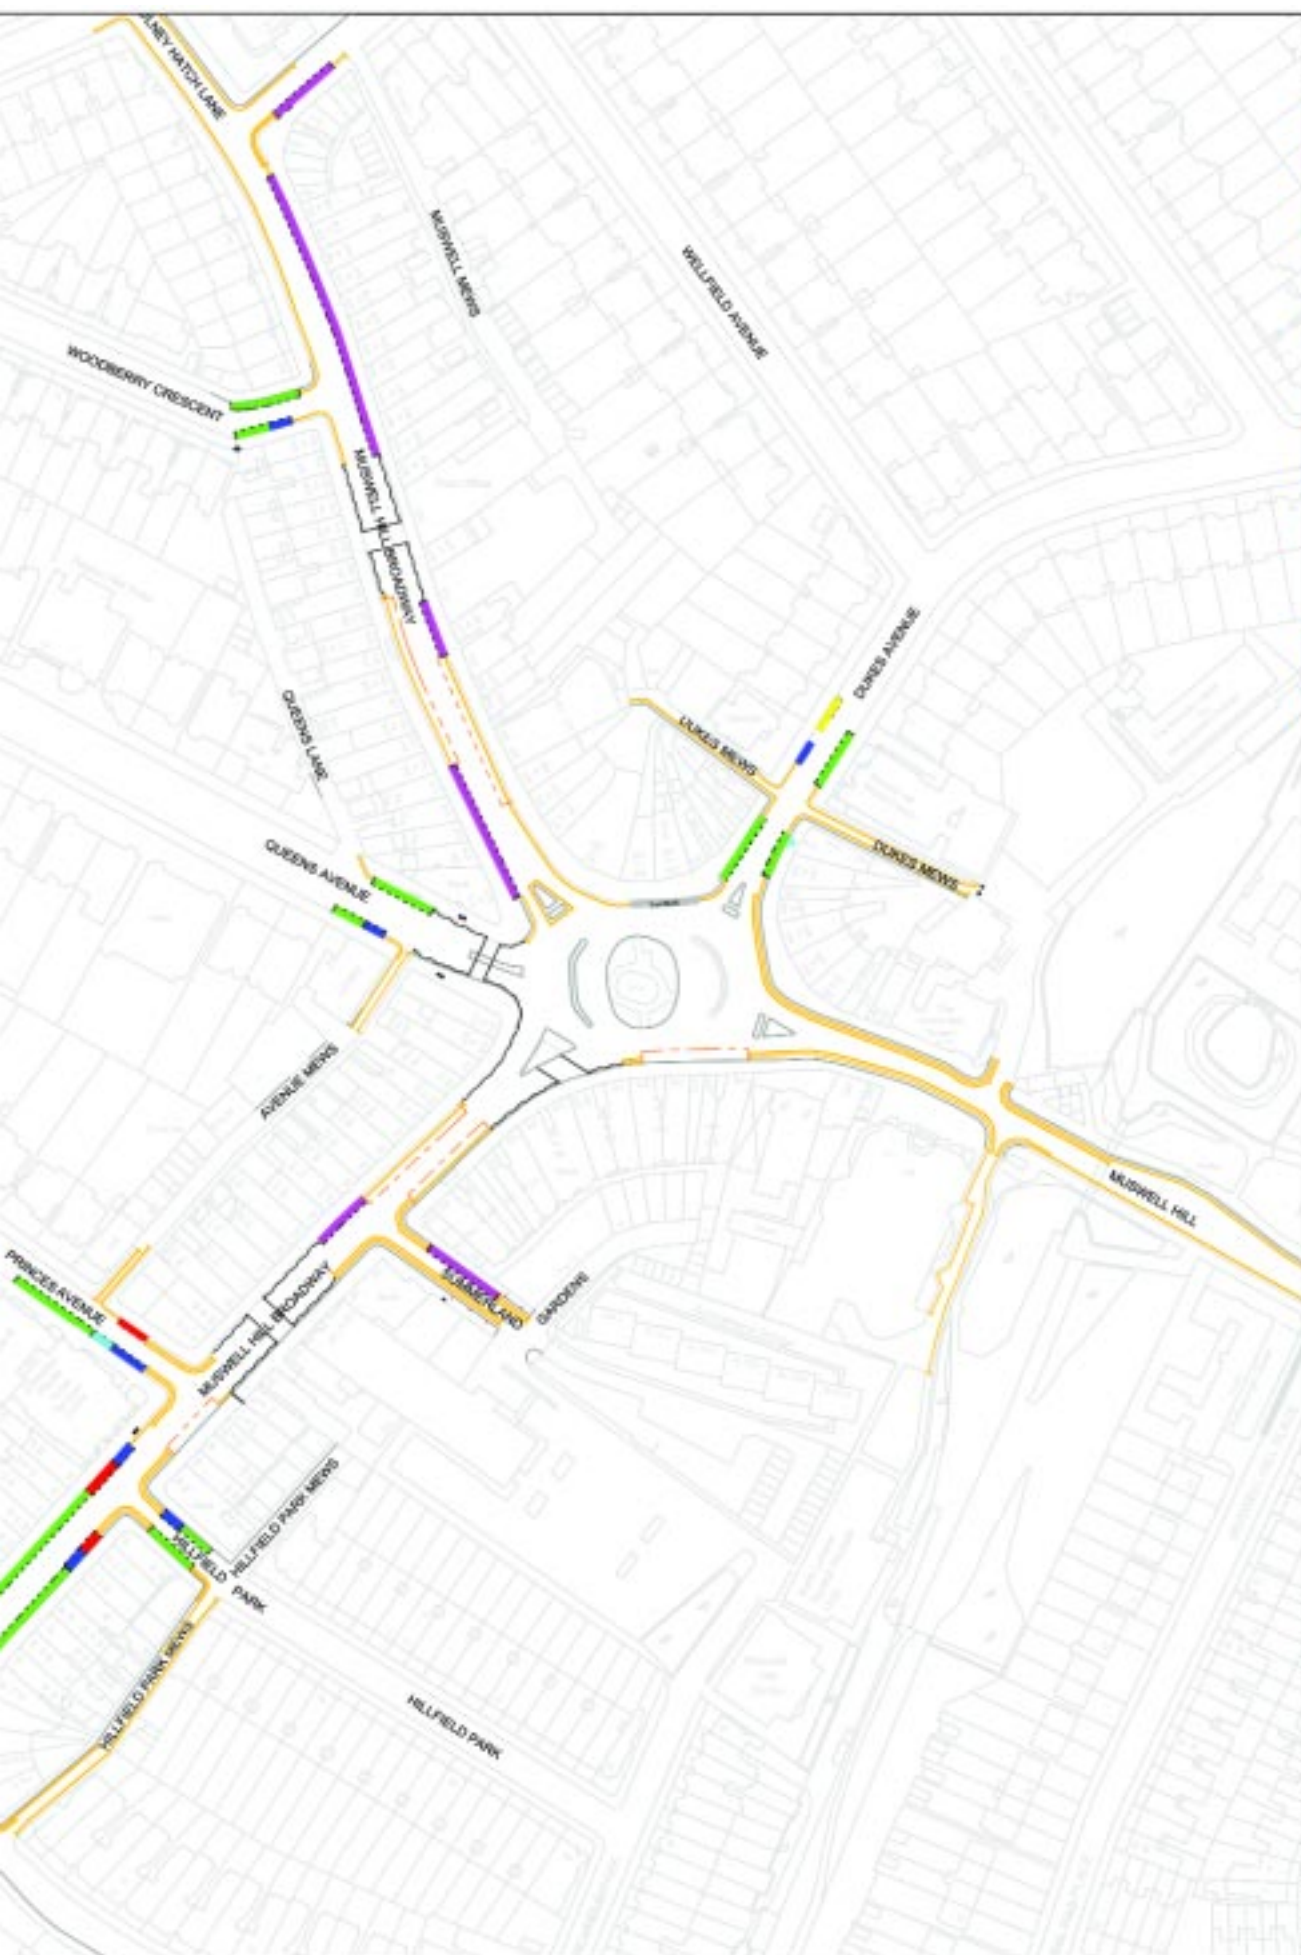

In certain circumstances the Police or the Council may suspend parking bays. This may happen for example to allow for building operations or special events etc.

Driveways and recommended pedestrian crossing points

Parking bays will not be placed in front of a driveway where vehicular access has been provided or at a pedestrian crossing point.

Enforcement of regulations

Any driver who parks a vehicle in contravention of parking restrictions will be issued with a Penalty Charge Notice (parking ticket).

Haringey Council is responsible for enforcing parking restrictions and this would be achieved through uniformed parking attendants and CCTV enforcement.
